Handling of Personal Information

Barcode systems will be in use at SEMICON Japan 2011 to scan the badges of visitors when they visit exhibitors' booths. At SEMICON Japan 2011, your information will be provided to the exhibitors of the booths at which your badge is scanned.

We have requested that all exhibitors handle personal information in a responsible manner in accordance with their respective company privacy policies. SEMI Japan is committed to respecting your privacy, and recognizes the need for appropriate protection and management of personally identifiable information. (Please refer to the SEMICON Japan website at www.semiconjapan.org.)
